Order -- No. J 16600-52 / Ge 514-17-1

Dated Bangalore, the 4th June 1918.

At the Dasara Session of the Representative Assembly of 1917 representations were made to Government that long service by Members in the Assembly may be recognised in some suitable form. The Government of His Highness the Maharaja have since had this subject under consideration and have decided to recognise membership in the Assembly for not less than 20 years by the grant to such members of exemption, for life instead of during the tenure of membership only as in the case of all members of the Assembly, from the operation of the Arms Act.

2. His Highness the Maharaja has been pleased to direct that such members, unless for other reasons included in a higher class, be included in class IV, in Part II of the Precedence List issued with G.O.No.4663-5052/G.M.180-16-13 dated 4th October 1917 and be entitled to a Khasa Hara at Durbars.

3. The names of members of the Assembly who so far have served on the Assembly for 20 years or more and are entitled to the privileges granted by this order are noted in the margin. Similar lists will issue from time to time as need may arise.

5) Subd. It is not clear from the rules whether twenty years' continuous service is necessary in the Assembly is necessary to entitle a member to exemption. Again whether all members of 20 years' standing are entitled to the exemption or whether only such members of 20 years' standing who have been notified by Govt as having remained such service are entitled to it is not clear. May this be said to the Dasara Section for noting on the above points?
